

GERMANY REJECTS VERSAILLES PACT

CHANCELLOR DECLARES TERMS UNACCEPTABLE

Scheidemann's Declaration Brings Members of National Assembly and Spectators to Their Feet in a Hurricane of Cheers and Applause—Attacks President Wilson.

BERLIN, Monday, May 12.—(By The Associated Press)—The declaration by Chancellor Scheidemann in the national assembly today that the peace terms were "unacceptable" brought the members of the assembly, the spectators and those in the press gallery to their feet in a hurricane of cheers and applause.

Chancellor Thunders Out Rejection
The chancellor reached the climax of his statement on the peace terms 10 minutes after he began. The chancellor paused in his address and then thundered out the words which announced the German government's rejection of the Versailles conditions.

"This treaty," he said, "is in the view of the imperial government unacceptable, so unacceptable I am unable to believe that this earth could bear such a document without a cry issuing from millions and millions of throats in all lands without distinction of party. Away with this murderous scheme."

With the exception of the independent socialists, led by Hugo Haase, all factions in the assembly arose and cheered vociferously. The assembly is sitting temporarily in the assembly hall of the University of Berlin on Unter Den Linden.

Leaders Back Government
After the chancellor's speech the leaders of the various parties, with the exception of the Haase group made speeches in which they declared they backed up the government.

The chancellor described the peace treaty as a dreadful and murderous document. He said it would make an enormous jail of Germany in which sixty million persons would have to labor for the victors in the war. The chancellor said German trade would be strangled should the peace terms be accepted.

He criticized President Wilson and said that the president by his attitude had deceived the hopes of the German people.

Turning Point in Life
Philipp Scheidemann, the chancellor, in his speech before the national assembly here today said that the occasion was the turning point in the life of the German people, as the assembly was to decide the attitude toward "what our adversaries call peace conditions."

"The representatives of the nation," he continued "meet here as the last band of the faithful assemblymen when the fatherland is in the greatest danger. All have appeared except the representatives of Alsace-Lorraine, who have been deprived of the right to be represented here just as you are to be deprived of the right to exercise in a free vote the right of self determination."

"And I see among you the representatives of all the German races and lands, the chosen representatives of the Rhine land, Prussia, Posen, Silesia, Danzig, and Memel. Together with the deputies of the menaced provinces who, if the will of our enemies becomes law, are to meet for the last time as Germans amongst Germans. I know I am one in heart, with you in the gravity and reality of this hour, which had been raised by only one idea—that we belonged to one another and must stand by one another and that we are one flesh and one blood and that whoever tries to sever us is driving a murderous knife into the living body of the German people."

Ask Only Bare Life
"To keep our nation alive—that and nothing else—is our duty. We are pursuing no national dreams. No questions of prestige and no thirst for power have a part in our deliberations. Bare life is what we must have for our land and nation today while everyone feels a throttling hand at his throat."

"Let me speak without tactical considerations. The thing which is at the basis of our discussion is this thick volume in which 100 sentences begin 'Germany renounces.' This dreadful and murderous volume, by which confession of our own unworthiness, our consent to pitiless disruption, our agreement to helotry and slavery are to be extorted—this book must not become the future code of law."

"The world has once again lost an illusion. The nations have in this period, which is so poor in ideals, again lost a belief. What name on thousands of bloody battlefields, in thousands of trenches in orphan families and among the despairing and abandoned has been mentioned during these four years with more devotion and belief than the name of Wilson? Today the picture of the peace-bringer as the world pictured him is paling beside the dark forms of our jailers to one of whom, Premier Clemenceau, a Frenchman recently wrote: 'The wild beast has been put in a cage on

HOLD MILITARY FUNERAL
New York, May 13.—A military funeral was held today for Lieutenant James R. Europe, leader of the 360th infantry's "jazz" band which won wide fame overseas with the negro "hell fighters" who before the war marched on the old 15th New York National Guard. Burial was to be made in Washington.

Lieutenant Europe was killed in Boston by one of his musicians who was said to have been insane.

sufficient and in order to utilize every future possibility of destruction, the yoke must finally be placed on our neck and a miserable enslavement established for our children and our children's children. Germany undertakes to put into force and to publish all acts of legislation all prescriptions and all regulations which might be necessary to insure the complete carrying out of the terms.

"Enough! More than enough! These are some examples of the treaty stipulations in establishing which, as Herr Clemenceau yesterday informed our delegation, the entente will be guided completely by the principles according to which the armistice and peace negotiations were proposed."

To Make More Proposals
"We have made counter-proposals and shall make still more. With your consent we regard it as our sacred task to come to negotiations."

"Here and there insight and the common obligations of humanity are beginning to make themselves felt in neutral countries; in Italy and in Great Britain, above all, to this is a comfort for us in this last fearful flaming up of the policy of the mailed fist—and in Socialistic France voices are being heard whereby historians one day will measure the state of humanity after four years of murder."

Herr Schiedemann thanked all those in whom the indignant heart of conscience had found expression and added:

"Stand by us in paying the way to negotiations, leave no one in the world in doubt regarding the fact that you are one with us."

"We protest against hatred being perpetuated forever, a curse being established for all eternity. Members of the national assembly the dignity of humanity is placed in your hands. Preserve it."

Summary of International Situation

[By The Associated Press.]
Philip Scheidemann, the German chancellor, has followed the lead taken by President Ebert. In a statement to the national assembly in Berlin, couched in language more forcible than that of Ebert, Scheidemann declared that the peace terms are not acceptable to Germany.

Cheering from all the factions in the chamber, excepting from the benches of the independent socialists, even from the press gallery greeted the chancellor as he characterized the treaty as "a dreadful and murderous" document which would make a jail of Germany in which sixty million persons would have to labor for the victors in the war. The speaker charged deception on the part of President Wilson and the adoption of his promised fourteen points for peace.

It is reported that Scheidemann has been informed by leaders of two democratic parties and parties of the center that they will withdraw their representatives from the government if the treaty is signed.

Meantime the German plenipotentiaries at Versailles are continuing their work of assimilating the terms of the treaty and formulating protests, which they desire to make. Others are in Berlin discussing the prospects with the government. Still another group is endeavoring to secure discord with Italy as regards Trieste and the Adriatic region and discussing the Turkish problem.

Optimism has been expressed in Paris that the Italian situation is nearing settlement, the Italians evincing a disposition to make concessions.

Premier Orlando called Tuesday at the residence of Colonel House of the American delegation and went over the situation. President Wilson had an engagement with Thomas Nelson Page, the American ambassador to Italy with whom he went over the disputed ground.

The Austrian treaty, it is said, is nearly complete. The details have not become known, but it is asserted that in some respects it will follow the German document. This is true as regards trial by court martial of persons responsible for violation of the rules of warfare during the period of hostilities, although it is said no demand will be made for the trial of former Emperor Charles. The delimitation of the boundaries of Austria will follow the lines laid down in the treaty of London.

With the expected advent of the Austrian delegates at St. Germain En Laye, the Germans at Versailles have asked permission to be allowed to communicate with them. The answer of the allied and associated representatives is problematical.

NAVY FLIERS MAY RESUME TRIP TODAY
TREPASSEY, N. F., May 13.—While Commander John H. Towers in command of the United States navy's trans-Atlantic flight, declined to state whether the seaplanes would depart tomorrow on their voyage to the Azores, reports today from the guardships stretched along the ocean coast indicated that favorable weather conditions would prevail.

Flight officials have warned newspaper correspondents here that where the decision to start is reached the machines may get underway with little notice.

It will be unknown here until the planes start when they actually will take the air. If the water is rough in the outer bay they will take off in the harbor as the waves outside might stay in their hulls.

DOES NOT SOLVE PROBLEM.
Paris, May 13.—(French Wireless Service)—The eeding of the Russian population is no solution of the Russian question, it is declared in a memorandum sent to the peace conference by Prince Lvoff, Russian ambassador at President Tschakovsky of the North Russian government concerning the proposal to feed soviet Russia through neutral countries on condition that the Bolsheviks cease hostilities.

BOLSHEVIKI REFUSE TO CEASE HOSTILITIES
Paris, May 13.—(By The Associated Press)—A wireless message received here addressed to Dr. Nansen head of the commission of food Russia from M. Tchitcherine, Bolshevik foreign minister and relayed by the foreign office at Berlin announces the Bolshevik refusal to cease hostilities as condition of the provisioning of Russia by neutrals.

Root Condemns Steps Proposed For Railroads
ST. LOUIS, Mo., May 13.—Compulsory federal incorporation of railroads, government guarantees of income and the removal of the road from the jurisdiction of the present state commissions as steps proposed prior to the return of the railroads to private ownership were condemned by Elihu Root in a letter read today before the Missouri Bankers' convention.

Mr. Root's letter was read by S. Davies Warfield, president of the National Association of Owners of Railroad securities who had requested an opinion from Mr. Root as advisory counsel to the association.

As an alternative Mr. Root unequivocally endorsed the plan put forward by the security owners association under which congress would fix a fair rate of return for the railroads of each rate-making district as a whole and require the rate-making authorities to fix rates which would presumptively yield that return. In the event of any road making more than the prescribed return the excess would be taken by the government and used to promote public interest in transportation.

A general rate fixed by the government for all railroads, Mr. Root contends, has this defect: If the rate is fixed so as to give a fair return to weak roads it will give an excessive return to the strong roads while if the rate is fixed on the basis of an equitable return to the strong roads it will drive out of business their weaker competitors.

Mr. Root says: "It is apparent that the people of the country do not wish to enter upon a permanent system of government operation. The railroads are to be returned to private ownership, and they cannot be permitted to go back to uncontrolled operation of the earlier period."

He maintains that provision must be made "to prevent the continuance of the steady progress toward bankruptcy which characterized the decade before the government took possession in 1917."

He says half of the people of the United States are interested directly or indirectly in the \$17,000,000,000 of securities representing the railroad investment of the country and railroad securities are a chief basis of credit on which depends all the business of the country. If that credit be destroyed the consequences will be incalculably disastrous.

In regard to federal incorporation, Mr. Root says: "There is only one avowed purpose which could be accomplished by this plan and that is to withhold the railroads entirely from the jurisdiction of the state commissions. This is unnecessary because congress has power to authorize the federal rate making commission to override the state commissions in respect to rate which interfere with the interstate commerce rates. The state commissions ought not to be destroyed."

His proposal for a government guarantee is objected to by Mr. Root on the ground that as the government must make the guaranty good there would be neither opportunity nor incentive for private enterprise in the management or development of railroads.

STATE HISTORICAL SOCIETY TO MEET
SPRINGFIELD, Ill., May 13.—The twentieth annual meeting of the Illinois State Historical Society will be held in this city May 20. Dr. O. L. Schmidt, president of the society will preside.

Following the business meeting of the forenoon, an address entitled "A Sketch of the History of Woman's Work in the Illinois State Council of Defense," by Mrs. Joseph T. Bowen, chairman of the Woman's Committee Council of National Defense, Illinois Division, and member of the State Council of Defense, will be read.

Miss Elizabeth Putnam of Davenport, Iowa, Miss Anna Edith Marks and Dean Eugene Davenport of the University of Illinois will speak at the afternoon session and Thomas C. MacMillan, Chicago, will deliver his annual address in the evening.

AVERT THREATENED STRIKE
Glen Falls, N. Y., May 13.—The threatened strike in the paper mills of Finch, Pruyn & Co. was averted today when the demands of the workers were granted. Under the agreement machines will be paid sixty cents an hour. Other workers will receive a flat increase of five cents an hour. The pulp, sulphite and paper mill workers of the company are affiliated with the International Brotherhood which has in charge the strike at the mills of the International Paper company but they conducted independent negotiations. The situation in the International company's mills remains unchanged.

DEFEAT BILL TO CREATE STATE CONSTABULARY
Measure Falls Short of Required Twenty-Six Votes

SPRINGFIELD, Ill., May 13.—By a vote of sixteen to thirty-one the senate late today defeated the Dunlap bill intended to create a state constabulary. The roll call came shortly before five o'clock after an all-day debate. Twenty-six votes were required and the measure fell ten short of this number. The senate gallery was filled with spectators, most of them representatives of organized labor which fought the police bill consistently.

The roll call on the Dunlap bill was as follows:

For the Bill.
Atwood, Austin, Bailey, Barbour, Clark, Coffey, Cornwell, Curtis, Dunlap, Hull, Lantz, Perver, Sadler, Swift, Turnbaugh and Wheeler.

Against the Bill.
Bardill, Barr, Boehm, Brady, Broderick, Buck, Campbell, Canaday, Carlson, Carroll, Dailey, Duval, Essington, Ettelson, Glackin, Gorman, Hamilton, Hewitt, Hughes, Jewell, Kessinger, McCullough, McNay, Powell, Ross, Shaw, Spencer, Sullivan, Weidling, Wood and Wright.

Present and Not Voting.
Denver and Manny.

Absent—Herlihy.
After the vote a motion of Senator Barr to reconsider the senate's action was laid on the table, on motion of Senator Kessinger, to make certain the measure's death.

At the afternoon session, the bill was opposed by Senators Dailey and Barr and defended by Senators Barbour, Spencer, Turnbaugh and Dunlap.

Senator Dailey declared the measure "wrong in principle, undemocratic and un-American" and Senator Barr said it had been urged upon the upper branch by propagandists whose motives could not be discovered. Arguments in opposition tended to the main contention that the creation of a state police force would be a step toward "Prussianism" and would stir up industrial unrest. Friends of the measure urged that the alleged increase in crime warranted the establishment of a new arm for the enforcement of the criminal law and the protection of rural communities. By a vote of 28 to 10 the senate passed the Barbour bill providing non-partisan elections for mayor and aldermen in Chicago and empowering the council to appoint the city clerk and city treasurer. It contains a referendum. The measure now goes to the house.

The house committee on banks and banking reported out favorably, with amendments, the Vickers "blue sky" bill aimed at the sale of fake stocks, bonds, and securities. The maximum commission allowed securities salesmen is changed in the amendment from fifteen to twenty percent, and going concerns would be required under the amended bill to show earnings for two years instead of three.

Governor Lowden late today signed the Bancroft bill exempting from payment of tuition, matriculation or incidental fees except laboratory or supply fees. It contained an emergency clause and is effective at once. Beginning of the legislative investigation of the state board of equalization and Pullman company assessments, scheduled for Thursday was postponed until 3:30 o'clock Monday, May 19, today when C. Fred Mortimer, counsel for the committee asked more time to prepare for the inquiry. Taking of testimony will begin on Monday, it was announced.

TO GREET PRAIRIE DIVISION.
Chicago, May 13.—Governor Lowden and about 100 persons Friday noon will leave for New York to greet the advance contingent of the thirty-third (Prairie Division) of former national guardsmen.

Major General J. Franklin Bell, commander of the division, and the first ship load of Prairie men are scheduled to reach New York on the Mount Vernon Saturday.

ASSIGNED BISHOPS.
St. Louis, Mo., May 13.—Assignments of his bishops of the Methodist Episcopal church South, to the annual conferences they are to conduct during the coming year were made today at the closing session of the annual meeting of the college of bishops. The assignments include: Fourth District—Bishop Collins Denny of Richmond, Va., Illinois conference August 31.

Summon More Talesmen For Ford Libel Suit

MOUNT CLEMENS, Mich., May 13.—More talesmen from which to select a jury in the libel suit of Henry Ford against the Chicago Daily Tribune were summoned by Judge Tucker tonight.

The twelve men who occupied the jury box and submitted to interrogation as to fitness as jurors by counsel for both sides are still subject to challenge for cause and also peremptory challenge. Some of them will be dropped tomorrow it was predicted.

Elliott G. Stevenson, of counsel for the defendant and Attorneys Alfred J. Murphy and Alfred Lucking for Mr. Ford, clashed during the day over the lines of examinations. Mr. Stevenson accused Mr. Stevenson of seeking to get before the talesmen arguments for military preparedness, which, Mr. Lucking said, Mr. Stevenson knew could not be brought in as evidence later.

Mr. Stevenson argued that the attorneys for the plaintiff had opened the gate for such questioning by themselves asking talesmen if they would call a man an anarchist for holding views opposed to the military system. He was allowed to proceed by Judge Tucker. The talesmen answered they would not regard a man as an anarchist because he believed that international difficulties could be settled without bloodshed.

While Mr. Stevenson was defining the term "anarchist" as he said the term was applied by the Tribune to Mr. Ford, meaning one who spent hundreds of thousands of dollars in attempting to influence the public and congress against preparedness, Mr. Lucking interrupted:

"We object, on that basis half the United States Senate is an anarchist. We object to the assumption that the Tribune can create

A REAL HEARING

The investigation as to the state board of equalization resulting from the charges made against Gov. Lowden in insinuations with reference to the Pullman company, is not going to be of the white-washed kind. The hearing is undoubtedly the result of the effort of the board of equalization members to "fight back" and oppose Gov. Lowden's measures for a tax board. The governor has on his "fighting clothes" and the fur will fly before the investigation is finished.

FOR PUBLIC SAFETY.

We might organize a public safety league here in Jacksonville, following out the suggestion which a Chicago judge made to a woman speeder in the big city. They have a public safety league and the judge proposed an auxiliary organization especially for women drivers. There has been so much reckless speeding in Chicago recently, cases which mere fining does not bring to an end, and some sort of vigilance organization is necessary. Spend an hour on West State or South Main street, day or night, and you will see the need of a vigilance organization here.

STEEL PRICES.

Here's a guess that when Director Hines opens the bids for steel in accordance with his recent proposal, that the prices will not be less than those already offered by the steel manufacturers. They would be "easy" indeed if after their controversy they so soon came forward with a price lower than that on which they had been insisting.

THE BANK COFFERS BULGING.

The deposits of Jacksonville banks are not published weekly, neither are the clearings made known. But it is an acknowledged fact that there is more money in the banks of Jacksonville now than ever before. This is a condition notwithstanding the fact that in past months such large sums have been withdrawn for investment in government securities. Evidently the money brought in from the outside or

taken from stockings and other private banking institutions has made up this war time deficit and more. When a bumper wheat crop is harvested at a price not less than \$2.26 there will be a lot more men and women looking for investments.

NO CAUSE FOR WORRY.

The discovery of wheat disease in certain localities might send the price of grain up but the top has already been reached. What's the use of adding anything for the price of wheat when the visible supply has already disappeared? Anyway, nobody is paying much attention to the wheat injury story for the department of agriculture says that the disease exists merely in isolated cases and a bumper crop is well on the way.

THE ROOSEVELT INFLUENCE

Ex-President Roosevelt has passed on but his spirit still lives. Progressive Republicans who are insisting on certain principles in the organization of congress and various specifications for the next presidential candidate of the party, declare that the program which Roosevelt championed must be carried out.

DICTATED PEACE.

The German emperor says that it is a "brutal dictated peace." Certainly it is dictated, for that's the only kind of peace that can come to the vanquished. Any peace terms that the Germans themselves did not outline would seem brutal to them.

ALLURING INVESTMENTS.

A blue sky law is about to be passed by the Illinois legislature. It provides that before organizing a company exact financial facts and the history of the officers and promoters must be placed on file with the secretary of state. These facts will then be disclosed on application. Such publicity will help some, but many fake companies will continue to exist and the people will still have opportunity of investing in corporations that promise huge returns. They'll invest too, unless human nature changes and people stop wanting to get rich quick, and thinking that the best investment opportunities are somewhere else than at home.

THE ENVIED FARMER.

A big campaign is to be launched at Rock Island this month purposing to organize the farmers of Illinois so that their interests shall be represented at Washington and at the state capital. These days it looks as if the farmer had about everything he wanted without organizing a union to enforce his demands.

CENTENARY PRAYER SERVICE

The prayer meeting tonight at Centenary church will be held at 7:30 o'clock. Miss Reaick of the Woman's College, leader. Subject, "The Spiritual Ministry of Music." She has made careful preparation and a rich treat is in store for those who attend.

Rippling Rhymes

By Walt Mason

May.
It is the balmy month of May, as doubles, you've inferred; and when at morn we leave the hay, and gaze upon a fresh spring day, we say it is a bird. The other months don't come amiss, October, April, June; they bring their little chunks of bliss, but when you line them up with this, they look like musty prunes. May weather is the best I know, and I have sampled much; it doesn't bring us sleet and snow, and crazy tempests do not blow and rave to beat the Dutch. We go to roost if we are wise, at ten, and sleep till five; and feel so joyous when we rise we laugh and sing and swat the flies, rejoiced that we're alive, h, in another month or two the nights will be red-hot; and all the hours of darkness through we'll kick and toss and swear and stew, each on his steaming cot. But now the nights have pleasant chill, and snoring is a treat; and we can slumber with a will, of Morpheus we get our fill, and dream of Mike and Pete. Enjoy each moment ere it goes, and treasure every hour; for soon the heat will peel your nose, and shrivel everything that grows, and make existence sour.

THREE SHIPS BRING TROOP FROM FRANCE

NEW YORK, May 13.—American artillerymen, machine gunners and casuals, 2,940 in number, returned from France today on the transport Von Steuben. The largest outfit was the 223d field artillery. The 120th machine gun battalion men also returned. Other units included in the 158th field artillery brigade headquarters and casual companies. The battleship Louisiana brought home 1,444 officers and men including the 107th ammunition train, the 32nd division military police company, sections of the 170th mobile ordnance repair shops and the eighth sanitary squad and a number of casuals.

Second army headquarters, 12 officers and 531 men, 303rd field battalion; signal corps, three companies medical detachment, nine officers and 331 men and a list of casuals, the troops in all numbering 1,796 arrived today on the Steamer Re d'Italia from Marseilles. They will be demobilized at seventeen different camps.

SECOND DIVISION HIGH IN MATCHES

WASHINGTON, May 13.—The second division made the highest score of all divisions of the American Expeditionary Force in the matches at Le Mans, France, and the fifth regiment of marines, attached to that division, led all regiments, marine corps headquarters was advised today by General Pershing. Major General Le Jeune, commanding the second division, called Major General Barnett, marine corps commandant that 20 officers of the fifth and sixth marine regiments would be returned to the United States to take part in the rifle matches preliminary to the selection of the marine corps teams to compete in the National Rifle Championship at Caldwell, N. J., in August.

ARRAIGN SLACKERS DURING THE WAR

MILWAUKEE, May 13.—Save arraignment of the slackers during the war, a demand for deportation of aliens and the investigation of the favored treatment given to the war shirkers who posed as conscientious objectors is contained in a declaration of principles adopted for Wisconsin by the Wisconsin delegation to the St. Louis convention of the American Legion of Returned Soldiers. A movement to push the formation of locals and the transfer of the present organizations of the American war veterans of the Wisconsin organization formally to the new legion is already under way.

DRYS MEET TODAY

Springfield, Ill., May 13.—The Illinois Anti-Saloon League will hold its annual meeting here tomorrow when plans probably will be arranged by the organization to attend the joint session of the legislature May 21, when a field day for "wet" and "dry" bills will be held in the house. Many "dry" enthusiasts are expected to attend.

TO DEFINE ZONES

Basle, Switzerland, Sunday, May 11.—(French Wireless Service.)—The Rumanian and Czechoslovak forces which have been working their way into Hungary have approached each other during their operations and the allied governments have considered it advisable to define the zones of occupation of the two forces. Determination of the limits of these two zones is in progress.

REDUCE BELGIAN ARMY

Brussels, May 13.—(French Wireless Service.)—Belgium's army at present numbers 210,000 men and 115,000 have been demobilized, the minister of war has informed parliament. The minister said he would do his utmost to reduce the Belgian military forces to 100,000 men as soon as possible.

SILENCE BOLSHIEV GUNS

London, May 13.—Via Montreal.—The Bolshevik artillery is active on the front in northern Russia but is being silenced by allied fire when it becomes too active, a dispatch to the British press from Archangel says. The Bolsheviks are being silenced and the White Sea is navigable at the mouth.

WORK ON ARENA TO START THIS WEEK

TOLEDO, O., May 13.—Work on the arena where the Willard-Dempsey fight will be held July 4th, probably will be started this week, Tex Rickard, promoter of the fight announced today. The contract may be awarded tomorrow.

J. L. McLaughlin of San Francisco, architect for Rickard, said today that the arena will be four times as large as the one built him at Reno for the Jeffries-Johnson championship fight.

Rickard has announced that only 150 rigside seats will be reserved for newspapermen. He requested that newspapermen wish to work space for their sportswriters make formal application by mail for seats.

Jack Dempsey, challenger for the heavy-weight title, is expected here tomorrow or Thursday. Willard will arrive by May 20th.

MAY TAKE FOREIGN ORDERS FOR SHIPS

WASHINGTON, May 13.—Orders for possibly three million gross tons of ships to be built for foreign account in American ship yards may be placed as the result of an order by President Wilson permitting the building of such ships provided it could be done without interfering with the construction of the American merchant marine. The president's action was announced in a statement issued today at the white house. Officials of the shipping board today would not venture more than a guess as to the tonnage American shipbuilders might expect as the result of the president's order which it was said at the white house had been issued at the suggestion of the shipping board.

Good substantial orders it was said by officials may be expected from the Pacific and Atlantic yards. Norway is expected to place large orders and France and Italy probably will let contracts for considerable tonnage, it was explained. England is not expected to place any orders in American yards.

OUTLINES PROGRAM TO ALLIED POWERS

PARIS, May 13.—French Wireless Service—General Deline, the head of the Cossack and anti-Bolshevik government in southeastern Russia, has communicated his program to the representatives of the allied powers. Points of the program follow:

Continue the struggle against Bolshevism.
Re-construction of a unified and indivisible Russia.
Convocation of a constituent assembly based upon universal suffrage.
Larger regional autonomy and the establishment of self-governing districts. Civil and religious liberty.
Immediate Agrarian reforms.
Adoption of measures tending to protect workers against exploitation by the capitalists and against government abuses.

INDICT FIVE ON CONSPIRACY CHARGE

DES MOINES, Iowa, May 13.—Five persons were indicted on charges of conspiracy and bribery by the federal grand jury late today in connection with an alleged attempt to gain a monopoly in the purchase of certain government supplies at Camp Dodge.

Indictments against Michael Levy and S. D. Brill, Chicago representatives of Michael Tauber Company of St. Paul, Minn., charge they offered \$1,000 to Captain L. M. Sinner, head of the Salvage Department to fix a contract for them to obtain \$29,000 worth of supplies for \$12,500.

Arthur Koerner, Washington, D. C., J. R. Rhoads, broker, Norfolk and A. Gross, Minneapolis business man, the others indicted were named in connection with an alleged attempt by the first two names to bribe Lieut. R. H. Vanstrum, quartermaster corps, to secure a purchase of 30,500 government blankets.

CONVENTION TO RATIFY COVENANT

SPRINGFIELD, Ill., May 13.—A state convention to ratify the covenant of the League of Nations will be held in this city May 29, according to an announcement made here today. Word that Springfield had been selected as the place for holding the Illinois meeting was received from New York, where the League to Enforce Peace so far as scheduled 15 state conventions in various parts of the country for the purpose of ratification of the League of Nations. Other conventions to be held in the middle west states included Des Moines, Ia., June 2 and Grand Rapids, Mich., June 3.

BISHOP GREER BETTER

New York, May 13.—Bishop David H. Greer, aged 75 of the Episcopal diocese of New York, who was operated on for intestinal trouble at a hospital yesterday, although still in a serious condition was reported today to be resting comfortably.

WILL TEACH AT EL DORADO AGAIN

A newspaper clipping from El Dorado recently mentioned under the township high school notes that Miss Elizabeth Struck and Miss Olive G. Huss, both of this city, have been re-elected teachers for the coming year. It is interesting to note in this connection that the management of the school is making arrangements for meeting the government requirements under the Sam Hughes law for teaching agriculture and household economics. By making this arrangement a part of the salaries of the teachers of these subjects will be paid from U. S. funds.

OPPERETTA REPEATED AT JUNIOR HIGH

"The Witch of Fairy Dell" was repeated Tuesday night by the pupils of the junior high school. An audience of nearly 500 saw this second successful production of the operetta under the direction of Misses Lena M. Hopper and Esther Fuh. As at the previous performance, Misses Clara Smith and Ruth Dorwart were at the piano. The interesting story of the play was cleverly told by the players and the program was one of an excellence to reflect credit upon the principals and their assistants, together with the directors.

Those who have long been familiar with amateur performances were of one mind in declaring this one of the most artistic ever given in recent years. The directors of the operetta were grateful to Miss Ruth Brown, manager of the Rialto for loaning the lights used so effectively in a number of scenes.

TO TAKE POSITION IN WASHINGTON

Sergt. Ernest F. Ransdell is here from Fort Benjamin Harrison, Ind., for a stay of several days with friends. Sergeant Ransdell's home is in Washington, D. C., and he expects to return there June 1 to take up the duties of a government position.

A Bank

A bank primarily is not an institution in which to deposit money for the interest it may earn, or for convenience in paying accounts due.

These are desirable features, but if it were all such a bank's prestige would not be great.

A bank gives marked service in its territory. There is no question, involving financial matters, on which it is not equipped to give sound advice, not alone to its patrons but to any person desiring it.

This opportunity for obtaining sound, reliable information, is overlooked by many persons, some lacking the knowledge of where to go, others fearing their wants may appear trivial.

A cordial invitation is extended to any person desiring information or advice in financial matters to come to this bank.

NUXATED IRON

—MASTER STRENGTH BUILDER

OF THE BLOOD

The Power Behind the Strong
Sturdy Men and Healthy
Beautiful Women of Today

"To make strong, keen, red-blooded Americans there is nothing in my experience more valuable than Nuxated Iron," says Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Outdoor Dept.), New York and the Winchester County Hospital. Nuxated Iron by enriching the blood and creating new blood cells strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed energy and endurance into the whole system. It often increases the strength of weak, delicate people in two weeks' time. It is estimated that over 3,000,000 people use Nuxated Iron annually as a tonic and blood-builder.

MAKE THIS TEST YOURSELF
And Find Out Where Your Blood Stands

See how long you can work or how far you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have most astonishingly increased their strength and endurance simply by taking iron in the proper form.

Nuxated Iron is not a secret remedy but one of the most scientific and reliable blood-builders known. It is easily assimilated, does not injure the stomach and is entirely satisfactory to every person. It is sold by all druggists and is the only one that is so successful.

LEAVE WAY OPEN FOR CONFERENCE
TOLLEDO, O., May 13.—Despite the sudden breaking off of negotiations today between Mayor Cornell Schrieber and employees and officials of the Willys-Overland automobile company where approximately 10,000 men were locked out last week when they refused to work 48-hours a week, it was stated tonight that both the company and the men had left the way open for further conferences. Conferences between the mayor, the men and the company ended today after four days of negotiating. Neither the men nor the company would issue a statement. The company let it be known that it will reinstate its men if they agree to work 48 hours a week, instead of the 45 they had been working. The men insist upon a 44 hour week and wage increases of from 10 to 25 cents an hour. Withdrawal of the savings of union men from Toledo banks and establishment of a union bank with a state charter will be discussed Thursday by the Toledo Central Labor Union. Toledo banks and business houses have gone on record as supporting the attitude of the Overland Company. Establishment of a co-operative general store for the benefit of the men will be discussed Sunday by the railroad brotherhoods.

What Do You Know About Chiropractic Do You Know

that it is a Health Science relieving thousands of sufferers daily? It is different from any other form of Drugless Science. It lost only 1 case out of every 886 in the recent "Flu" epidemic. It stands head and shoulders above any other method as a Preventive of Disease. It is worth trying.

95 per cent of All Ailments Are Caused by a misplacement of one or more vertebrae which causes impingement of the nerves. We relieve this pinching of nerves by CHIROPRACTIC SPINAL ADJUSTMENTS, the life force then flows uninterruptedly and HEALTH is the result. Mechanical defects cannot be correct by drugs. HERE'S LUCK!

To the men we've elected to run our city for some time to come.

You can take it from me, they have got a hard job, and it's not going to be any fun. The conditions are such they cannot succeed unless we all help them along. And, I hope what they do will always be right, but, I'm for them. **EVEN WHEN WRONG.**

Let's help them along by getting together, by putting our mauls in a sack, and give them the hearty "GO TO IT BOYS," with a handshake and pat on the back. For there's nothing I know of, on old mother earth, to bring out the best that's in men, as words of encouragement, cheerfully spoken, or a compliment now and then.

Yep; you guessed it the first time, it's supposed to be a toast and a professional toast-maker would probably say it was dry and scorched, but believe me it was written with a **SPENCERITY PEN**, from the bottom of my ink well. It is not patented or copyrighted and any time you feel like speeling it, go to it; and while you have the attention of the gang, just announce that Skinner, 211 S. Sandy St., sells Tires en' everything, for automobiles.

Yours truly, JACK.

P. S.: On the second think, I have decided you better make the announcement first, for if the gang thinks you are going to recite poetry they might all leave.

P. S. the II: On the third think, I have decided to let all bets go as they lay, for any one with an ounce of brains would know it wasn't poetry.

Yours truly Jack.

AUSTRIANS SUBJECT TO LESS RESTRICTIONS
ST. GERMAIN-EN-LAYE, May 13.—(By The Associated Press.)—Arrangements for the reception of the Austrian peace delegates tomorrow evening for their accommodation in the residence of the early French kings and presentation to them of the conditions of peace are to be a duplication in many respects of those handed the Germans at Versailles. It is evident the Austrians are to be treated less as enemies and subject to less restrictions than the Germans. They will be received on their arrival at St. Germain by the prefect as the representative of the French government. The Museum of the chateau has been selected for the ceremony of turning over to the delegates of the peace treaty is now ready. The Austrian delegation could reach St. Germain early in the afternoon but in order to avoid a public entry the special train on which they are traveling they will arrive in the evening at some small station outside St. Germain. From this station the delegates will be brought in automobiles to the quarters reserved for them. The intention to quarter the Turks and Bulgarians in St. Germain on their arrival here has been abandoned owing to lack of accommodations. They probably will be located in Meudon, southwest of Paris.

TO PRESENT WAR CROSSES TO SOLDIERS
CAMP GRANT, Ill., May 13.—Formal presentation of the Distinguished Service Cross to Illinois soldiers and the Croix de Guerre to nine other men will be made at the camp next Thursday. Major General Willard H. Holbrook, will present the decorations and a review of the Fourteenth infantry will follow. The Illinois men to be decorated are Lieutenant Harry B. Liggett, Freeport and Roland W. Bain of Salem, formerly a sergeant of Company C, Twenty-third infantry.

TO RELEASE ALL TEMPORARY OFFICERS
WASHINGTON, May 13.—All temporary officers who entered the navy for the war period only will be released within the next few weeks Acting Secretary Roosevelt announced today. There are more than 1,000 officers in this status and they will be replaced by reserve officers who are accepting temporary commissions with the agreement to remain in the service until six months after peace is declared.

ANNOUNCE CAMPAIGN.
New York, May 31.—Announcement of a country-wide campaign to enroll 100,000 persons to "defend the constitutional and legal rights now denied more than four fifths of the Negro race in America," was made tonight by the National Association for the Advancement of Colored People. The organization having 50,000 members hopes to double the number before June 21 when it will hold a national conference in Cleveland.

FAVOR REBUILDING OF NATIONAL GUARD
WASHINGTON, May 13.—Approval of the re-organization of the national guard along the same lines as existed before the great war was expressed today informally by Secretary Baker. The War Department he said would favor the rebuilding of the guard so as to permit the various states to supply the same units as were used in making up the 16 divisions organized for service in France. Mr. Baker said it would be necessary of course for the militia to embody the changes resulting from experience in the war. He expressed hope that some way would be found to permit the perpetuation of the insignia and unit organization of each of the divisions organized in 1917.

SHOULD ABIDE BY AGREEMENT
Washington, May 13.—Paper mill workers, who argue that the armistice terminated wage and working agreements made for the period of the war were informed by the national labor board today that such reasoning would have produced industrial chaos if adopted generally by organized labor. The board informed John C. Burke, president of the Pulp Sulphite and Paper Mill Workers, that the war would not be over until the treaty of peace was ratified and that his union should abide by the agreement under which it is now working until that time.

FINNISH MINISTER REACHES NEW YORK
NEW YORK, May 13.—Armas Saastaminnen formerly Finnish minister to Denmark, designated by the Helsingfors government to represent it in Washington, arrived here today, with his family and two secretaries aboard the steamship Frederick VIII from Copenhagen. He learned as he stepped ashore that Secretary Lansing in Paris on May 7 announced that the United States officially recognized the independence of the de facto government of Finland and that, in consequence he would be its duly accredited minister in Washington. Mr. Saastaminnen expected to leave at once for the capital.

PLAN CONTRACTS FOR 500 ARMY PLANES
WASHINGTON, May 13.—Contracts for at least 500 airplanes of the very latest types would be awarded American manufacturers under plans prepared by the army air service and sent to Secretary Baker today for his consideration. The primary purpose would be to keep the industry in such condition as would insure its rapid expansion to meet the requirements of a national emergency. Seven types of planes have been approved by the American air service as representatives of the most modern developments in the science of aviation. They are the Le Pere observation, the Hoening monoplane, the Thomas Morse scout, the U. S. D-9-A day bomber, the Voight training plane, the Marlin day bomber and the ordnance engineer pursuit plane.

HAS NOT ACCEPTED INVITATION.
Paris, Monday, May 12.—(By The Associated Press.)—The Hungarian government has not yet accepted the invitation to name delegates for the signing of the peace treaty but it is assumed here that the Bela Kun regime will gladly take advantage of this means of establishing relations with the outside world.

ANOTHER FARM SALE RECORDED

Alvie McDonald Buys J. B. Corrington Farm Near Alexander.

Another farm sale was recorded Tuesday when Alvie McDonald purchased from J. B. Corrington a farm of 150 acres located about ten miles east of Jacksonville. The sale was made thru E. B. Wiswell as broker and the possession is to be given March 1. This farm was formerly the property of Clifton Corrington. It is high class land and well improved. While the price was not made public, it is understood to have been close to the \$300 figure.

As noted in several instances recently, really prices in both Jacksonville and Morgan county are on the up grade, and the demand for farm land is unprecedented. Notwithstanding war loans and activities requiring financing the banks of the county now are said to have on deposit more money than ever before. In this agricultural county with its fine prospect for wheat, the possibilities of greater return than ever before from the farms it is easy to understand the ascending market and furthermore that the top has by no means been reached.

Social Events

Entertain Sunday School Classes

Misses Laura and Katherine Hatfield entertained at dinner Tuesday evening the boys from the School for the Blind who are in their classes at Centenary Sunday school. Each year the Misses Hatfield entertain the members of their Sunday school classes in some such way as this and the event is always one of great pleasure for all. Several hours after the dinner were spent with games and amusements, and several musical selections added to the enjoyment of the evening.

Orleans Country Club

The Orleans Country club met with Miss Vasey Tuesday afternoon with a large attendance and several visitors. The Vasey home was prettily decorated with potted plants. Mrs. Vasey, who has been ill for several months, was able to meet with the club. Two interesting papers were given. Mrs. Tindall gave a paper on "Treasures Hidden in the Earth." Mrs. Little one of "Our Boys in France." Mrs. Little has four nephews in the service and read a number of letters from them and also displayed some souvenirs they had sent her. Special music was furnished by Master Wayne Rawlings on the violin with his mother as accompanist. The members responded to roll call with conundrums and some were very amusing. A social hour followed the program and refreshments were served. Among the guests of the club were Mrs. Louise Hinrichsen who has been in New York for the past year. Mrs. J. C. Oneal of LaMar, Mo., a former member of the club and Miss Eleanor Moore and Mrs. Fannie Cully of Jacksonville, former club members and Mrs. James Rawlings and son and daughter. The next meeting will be held with Mrs. William Cleary May 27.

D. A. R. Held Annual Election of Officers

At the regular meeting of James Caldwell Chapter D. A. R. held with Miss Trabue Tuesday afternoon the officers for the ensuing year were elected. Reports of officers were also heard and the report of the delegates to the National Congress at Washington was made. Two letters from the French Orphan recently adopted by the chapter were also read and proved of great interest.

The officers are:
Regent—Miss Marie Fairbank.
Vice Regent—Mrs. Ellen Merrill.
Recording Secretary—Mrs. John L. Johnson.
Corresponding Secretary—Mrs. E. P. Brockhouse.
Treasurer—Mrs. Lillian King.
Registrar—Miss Elsie Trabue.
Chaplain—Mrs. J. Marshall Miller.
Historian—Mrs. E. P. Cleary.
Custodian—Miss Elsie Trabue.
Following the business session a social hour was enjoyed and refreshments were served.

RED CROSS HELD REGULAR MEETING

Ordered All Bills Paid and Selected Delegates to National Convention.

The regular meeting of the executive committee of the Morgan County Red Cross was held at the public library Tuesday evening. Routine business was transacted, including the ordering of payment of the final bills of the influenza epidemic and the claims of the Board of Education for damage done to material at the Joseph Milligan school. Miss Maria Fairbank, chairman of the committee to collect used clothing for the people of liberated countries made a report on the clothing sent. Miss Fairbank said that included in the consignments was some clothing of extra fine quality, showing that local people were generous in their contributions.

A meeting of the National Red Cross will be held in Chicago May 20. A national officer will be in Chicago on that date and it has been arranged to have the chairman of the various county units and two delegates from each chapter to meet him there. The meeting will be in the nature of a conference and to compare notes and give advice to local workers. M. F. Dunlap county chairman of the Morgan county chapter and Mrs. Lillian King and Mrs. E. J. Heintz will represent the local chapter.

DR. STEVENSON DIED

The Banner, published at the North Dakota School for the Deaf in a recent issue makes mention of the death of Dr. R. E. Stevenson of Olathe, Kan., father of Mrs. Frank Reid, resident at Devils Lake, North Dakota, where Mr. Reid is superintendent of the School for the Deaf. The Banner had the following notice:

"Late Sunday afternoon, April 13, Mrs. Read received word that her father, Dr. R. E. Stevenson, one of the pioneers of Olathe, Kansas was critically ill and fast failing. She took No. 30 that evening for home, arriving early Tuesday morning but too late to see her father alive. His gentle spirit had responded to his Master's call several hours before she arrived.

Dr. Stevenson was born in Kentucky in 1839. In early life he moved with his parents to the then newly settled state of Illinois, where his father farmed extensively. Dr. Stevenson was educated at Illinois College and graduated later at Rush Medical College. He served in the hospital corps of the Union army three years in the Civil War.

In 1867 Dr. and Mrs. Stevenson moved to Olathe, Kansas, where they have lived ever since. They recently celebrated their fifty fifth wedding anniversary. Both stood high in the Masonic and Eastern Star Orders. The deceased leaves his wife and three children, Mrs. Read, Miss Margaret J. Stevenson, and Mr. Jay Stevenson to mourn his going. The sympathy of the School is extended to Mrs. Read and the bereaved family."

CITY RESIDENCES CHANGE OWNERSHIP

Altho the deed has not been drawn, contract has been made for the transfer of Mrs. Hawes Yates' property in Duncan Place to W. J. Brady. For a number of years Mr. Brady has been resident in property on Sandusky street recently sold by Charles B. Graft. Mr. Brady and his family expect to occupy their new home in the course of the next thirty days. The Yates house was built by the late Abram Wood and its construction is in every way very excellent. The property has always been kept in high class condition. The lot has a depth of a little more than 300 feet.

Another real estate transfer made known yesterday was that of Mrs. Mary Clary to Charles L. Reid. This is the residence property at the southwest corner of Webster and Lafayette avenues. Mr. Reid, who owns a handsome country home in the Ebenezer neighborhood, now has an excellent location in Jacksonville also.

STATE OWNED COWS MAKE GOOD SHOWING

Lon R. Henderson official cow tester for the Morgan and Sangamon County Cows Testing Association has made the following report on the cows of the Jacksonville Dairy Herds those belonging to the state institutions. It is interesting to note in this connection that the Department of Agriculture has recently purchased a registered bull at a cost of \$750.

THE HEALTH CRUSADE
IN FULL SWING

Many Interesting Features Each Day and Each Day Better Than Before — Today the Babies Have the Floor.

The work of health promotion week goes along finely from day to day with increased interest. A great many visitors called at headquarters all day and were deeply impressed with what they saw.

The fine array of posters was very pleasing and all about the place was attractive. Arrangements were made in the evening for the baby and child day today. Miss Isabel F. Walker, head of the home economics department at the Woman's college, will have a fine display of children's foods today and will show what is good for a child from one to six and will also show what can be done for the child who doesn't like milk.

Then she will show what is a good and a poor and all too common school child's lunch.

From 10:30 to 11:30 Miss Edna Sorrells, a graduate nurse, will show how a baby should be washed.

From 1:15 to 2:15 o'clock Dr. Josephine Milligan will talk to the care of children.

From 2:15 to 3:15 there will be demonstrations in baby feeding by Miss Gladys Jaqueth, also a professional.

From 3:30 to 4:30 Mrs. Ames will demonstrate care of the baby.

From 5 to 6 there will be moving pictures especially for school children.

In the evening there will be moving pictures in the line of health; also one theme will be the Power of a Penny.

Committees from the county precincts are expected in the morning and at 11 a.m. to gather at Trinity church for discussions and lunch at noon.

Several hundred badges, circular, four inches in diameter and bearing the likeness of Stewart Lane Russell, grandson of Hon. Andrew Russell, will be distributed to children free to be worn by them. The badges were printed on heavy paper and among those who cut out the circles were Dale Leurig who did the sweeping and heavy work and those who wielded scissors were Misses Catherine Montgomery Theodosia Griffin, Ferd Smith, Catherine Holscher, Lily Lair, Eleanor J. Cohen, Irene Ham Jeanette Vieira, Leda Large, Edna Alridge, Saralee Rule, Geneva Rodriguez, Hazel Kitchen, Hallie Johnson, Wilma Rule, Ernestine Sibert, Eva Cannon Lulu Green, Priscilla Sum.

The ladies also did some cutting.

Shortly after nine martial strains from the Patriotic drum corps announced that something unusual was about to take place. After parading over quite a good sized line of march the boys rounded up on the Billy Sunday lot owned by Howard Zahn who kindly permitted the expected conflagration. A lot of mattresses that had become unsafe for human use and some other inflammable material had been collected in a large pile. Mr. Zahn threw on them a lot of gasoline and Dr. Chapin, warning all to stand back, lighted a bunch of excelsior, threw it on the heap and with an explosion the flames shot to the sky and the great throng, mostly of eager, small boys, shouted their delight.

The fire lasted quite a while and was witnessed by a big throng, mostly juvenile, though Miss Coale and a few other good workers were on hand also. And thus ended the second day of the health promotion week in huge success.

DR. F. E. SAMPSON WILL MAKE ADDRESS HERE

Will Talk on Reconstruction Program in a Rural Community—Has Completed Working Organization in Southwestern Iowa.

Dr. F. E. Sampson will deliver an address at Central Christian church Thursday evening on Rural community organization. At the present time much attention is being given to organization in both city and rural communities for general betterment of conditions.

Dr. Sampson has been in charge of a district of six counties in Southwestern Iowa, of which Creston is the center. For several years he has been at work and at last he believes they have actually come to the conclusion that the men, women and children of the community are its most valuable assets.

The district, which centers transportationally in Creston, has a population of about 100,000. Some of the things accomplished at public health service, modern hospital service, the greater community effort, the cooperative effort. All these forces combined have worked to result in making the cities, towns and rural districts ideal from nearly every viewpoint.

In arriving at this almost utopian condition funds have been raised for the following departments: Equipment, Maintenance, Local service, community service. The combination of these various activities have resulted in attaining an excellent condition of affairs.

Dr. Sampson's motto evidently has been that all true patriotism finds local duties and that the patriot whose love of country finds no expression in terms of service or sacrifice for the welfare of those about him nor for his community at large is a "venered" patriot.

Dr. Sampson is resident in Creston, Iowa. While here he will be entertained by the local medical society. A banquet is one of the features of entertainment but the time and place of holding is not as yet known.

CRABTREE RETURNED HOME TUESDAY NIGHT

Illinois Chairman of War Loan Organization Has Practically Completed Work—Three States in Eighth District Well Over Top in Fifth Loan.

Edgar E. Crabtree returned to Jacksonville Tuesday night, having practically completed his work in connection with the war loan organization for the 8th federal district. Mr. Crabtree, as previously noted, has been ill with tonsillitis for several days although a part of the time he felt the necessity of being at his desk at the loan organization headquarters. It may be necessary to return to St. Louis for a day or two to finally close up the business in connection with the fifth Liberty loan but the work is practically finished.

Mr. Crabtree said last night that Indiana, Kentucky and Illinois have all finished the campaign with a nice over-subscription. The work was a little harder at this time than was true of the previous loans because of a certain apathy on the part of the public. However, this was cleared away before the final hour came and the quota was met and an over-subscription taken in the three states. Missouri, Arkansas, Mississippi and Tennessee are thus far credited with about 87 per cent of their quotas but it is possible that when the final reports are completed that these states too will have been found to measure up fully to expectation. So far as the whole district is concerned, the over-subscriptions in Indiana, Kentucky and Illinois are sufficient to meet any possible shortage of the other states of the district.

Mr. Crabtree has found pleasure in the strenuous work in connection with the war loan organization but is naturally glad to return to Jacksonville and give attention to his duties here.

ILLINOIS COLLEGE NOTES

ard... y Jota anykd iEGerm

The trustees of Illinois College have announced the appointment of G. H. Scott as professor of mathematics and physics. When Dr. Hebbert came to the college last winter to succeed Professor Whisler he came to fill a temporary position for the balance of the year. The trustees would have been very happy to give a permanent appointment to Dr. Hebbert, but he has decided to follow a somewhat different line of work than he is now doing at Illinois College. Professor Scott who will take charge of the department of mathematics and physics next year is at present holding the chair of mathematics at Doane College, Nebraska and is also serving as Dean of that institution. He is a graduate of the University of Illinois and has also done post-graduate work at Chicago University and Harvard. He received his master's degree at Harvard in 1909. His experience has covered a wide field, both in secondary and college work. He served for fifteen years as professor of mathematics and astronomy at Yankton College, S. D. He was principal of a private academy in Michigan for a time, and has been filling during the past year, the position of Dean of Men and of professor of mathematics at Doane. The authorities at Doane were anxious to retain his services but the offer at Illinois college seemed more attractive to Professor Scott. He is a member of Phi Beta Kappa, the honorary Greek Literary Society.

Professor Scott was in town this week looking up a house. One of his sons is with the American Expeditionary Forces in France and another son is a freshman in Doane college. The family, which includes in addition to the two sons, two daughters, will probably move to Jacksonville early in the summer.

W. H. DAVIS DIED FROM INJURY TO HEAD

Brother of Former Pastor of Westminster Church Was Prominent Resident of Kokomo

Friends of Rev. L. H. Davis formerly pastor of Westminster church, have received the news of the death of William D. Davis, a brother of Rev. Mr. Davis, at Greentown, Ind. The deceased was injured by a fall while stepping aboard an interurban car, intending to return to his home at Kokomo. He was taken to the home of his sister-in-law, where he subsequently died, his fall having resulted in concussion of the brain. Mr. Davis was in the habit of making frequent trips from Kokomo to Greentown, as he was directing the affairs of the Corona mills since the death of his brother, Charles Davis.

Rev. Davis in a letter to Mr. and Mrs. Frank Elliott, former parishioners, made this reference to the accident: "My brother was thrown from an electric car at Greentown, Ind., and the enclosed newspaper clippings will explain the circumstances. I received the word in California Saturday morning and took the first train possible, arriving in Chicago Wednesday. My brother, Charles passed away last October. Mrs. Davis preceded him in February, which makes three members of our family called away in thirteen months. I shall be here probably five or six weeks, as I may be of some service."

The Kokomo paper in referring to the death of Mr. Davis said: "The deceased was a son of David P. Davis, who died about five years ago, and Mrs. Elizabeth Davis, who has been dead about thirteen years. They were of Welsh descent and the family embodied all the granite virtues of their stock. The deceased was a native of Kokomo and was born on the John H. Terrell corner, at the intersection of Walnut and Market streets, February 25, 1861. He graduated from the Kokomo high school class of 1879 and was always active in the affairs of the alumni. He looked forward with pleasure to the fact that soon the fortieth anniversary of his graduation would have been observed. He pursued his college education at Oberlin."

The deceased read law in the office of the late Senator John W. Kern and then entered the law department of the University of Michigan, graduating in 1887. After he had practiced a short time he was elected prosecutor of Howard and Tipton counties and built up a large and successful practice. Continuing the paper said: "The deceased took his responsibilities with the utmost seriousness. His conscience was in all that he did. Mr. Davis was drilled from the cradle up in the old fashioned honesty all too rare these days. He could not be untrue to a client or a responsibility. A tribute from the heart was spoken by an intimate friend who said: 'If I had found it nec-

essary to leave my affairs completely in the hands of any one man to be settled right and as I would have settled them myself that man would have been W. D. Davis, and I should have directed that he give no bond, for one would not have been needed."

The Unlaid Eggs

The grain-fed hen usually carries a number of unlaid eggs—yolks which she cannot complete into eggs and lay, because her feed lacks the necessary white-forming nutrients. (That's why egg yolks are found in a hen, when it is dressed). Many of these yolks of unfertilized eggs are finally absorbed back into the hen's system.

Missouri Experiment Station tests showed that 100 lbs. of wheat, corn, oats, barley and kafir can make (above bodily maintenance) an average of 224 yolks and only 154 whites. Based on data from the same experiments, Purina formulas produce, (above bodily maintenance) as follows:—

Purina Scratch Feed	247.49 yolks	142.11 whites
Purina Chicken Chowder	182.05	282.55
Combined Ration	429.54 yolks	424.66 whites

These feeds, used in combination, form the most perfectly balanced and economical egg producer you can buy. Purina Chicken Chowder is the egg-completing ration; containing exactly the right feed elements to make the necessary whites. That's why we can positively guarantee

BROWNS TAKE FINAL OF SERIES FROM SOX

Chicago's Lone Run is Awarded By Empire Cahill on Austin's Interference with Jackson After Muffing a Throw to Stop a Double Steal.

Chicago, May 13.—St. Louis batted Robinson, a Sox recruit, hard in the first two innings today and won the final game of the series 2 to 1. Chicago's lone run was awarded by Empire Cahill on Austin's interference with Jackson after miffing a throw to stop a double steal. The ball rolled to the grand stand while Austin and Jackson rolled on the ground.

DEATH OF FORMER CONCORD RESIDENT

Word Received of Death of Mrs. N. H. Herbert at Home in Alamogordo, New Mexico—Had Many Friends in Concord Community.

Mrs. Allen H. Henderson of Alamogordo, New Mexico, has written to S. M. Henderson of the death of her mother-in-law, Mrs. N. H. Herbert, which took place at 8:15 p. m. on April 3rd, 1919, at her late home in Alamogordo, N. M. Mrs. Herbert was born Sept. 10th, 1844 in Iowa. She was first married to a Mr. Furrer in Iowa and one son was born to them. This son is now deceased and is buried in Concord cemetery. Some years after the death of her first husband, the deceased was married to Silas Henderson, Sr., on October 26th, 1875. One son Allen Henderson was born to this union and he survives. After the death of Silas Henderson, Sr., on August 17th, 1886, Mrs. Henderson resided for a while longer on the Henderson farm near Concord, and then with her little son Allen and step-son H. C. Henderson moved to Hopkins, Mo. Here she became acquainted with Mr. N. H. Herbert and they were united in marriage on January 28th, 1891. After a few years they moved to Alamogordo, N. M., for the benefit of Mr. Herbert's health. Here they have lived happily near Mrs. Herbert's son Allen H. and a married daughter of Mr. Herbert. About three years ago Mrs. Henderson was stricken with paralysis on one side. Her eyesight failed too, but she could write a letter once in awhile. On Feb. 15, 1919, she had another slight stroke and never took another step. She grew weaker and finally passed away as above stated, at the age of 74 years, 6 months and 23 days. Burial was made at Alamogordo.

She is survived by her husband and son Allen H., and two little grandsons, Howard Donald and Russell Cameron Henderson. Mrs. Herbert also had at least one brother and one sister who lived in Dakota and Iowa. Mrs. Herbert united with the Christian church at Fort Madison, Iowa. She held membership in the Concord Christian church and also the Joy Prairie Congregational church. She was a woman of charming personality and had many friends here and elsewhere. After three years of sickness and affliction she goes to her reward.

A WONDERFUL MACHINE

The engineer had become tired of the boastful talk he heard from the other engine drivers at his boarding house. One morning he began:

"This morning I went over to see a new machine we've got at our place, and it's astonishing how it works."

"And how does it work," asked one.

"Well was the reply, "by means of a pedal attachment a fulcrum lever converts a vertical reciprocating motion into a circular movement. The principal part of the machine is a disc that revolves into a vertical plane. Power is applied thru the axis of the disc, and work is done on the periphery, and the hardest steel by mere impact, may be reduced to any shape."

"What is this wonderful machine?" was asked.

"A Hummer," was the reply. To learn more about this wonderful machine be sure and see Jim Sharpe at Graham Hardware Co. this week.

MRS. M. E. HOYLE HAS GAINED 30 POUNDS

I've Never Found Anything To Equal Tanlac—She Says Troubles Overcome.

"If I could speak with everybody personally who has stomach trouble and rheumatism," said Mrs. M. E. Hoyle, of 1329 Pennsylvania Ave., Kansas City, Mo., "I would advise them to take Tanlac, for I have tried it myself, and have never found anything to equal it. I have suffered with rheumatism during the past ten years until I thought I would go distracted. The pain would extend from my hips down to my ankles, the muscles and leaders felt like they were drawing my knees were so stiff I could hardly bend over, and many a night the pain was so severe that I could hardly keep from crying. My appetite was very poor and my stomach was so out of order that what little I did eat made me miserable. I suffered terribly from indigestion and would bloat up so badly from the gas on my stomach that I could scarcely breathe, and there was also a dull aching pain in the pit of my stomach. My complexion was very bad—sallow and yellow looking—and I just felt badly all the time. But Tanlac has been a wonderful blessing to me and no one could see the change that has taken place in me during the past few weeks and doubt it being a great medicine. All my rheumatic pain and stiffness is gone now, and you may know I feel like a new person. My appetite is splendid, I am never bothered with indigestion or gas any more, no matter what I eat, and my color is fine. Not only have I been relieved of rheumatism and stomach trouble but I have also gained 30 pounds in weight, besides. Now these are my reasons for thinking so well of Tanlac and I will gladly tell anyone who cares to call on me what I have found out by experience about it."

Tanlac is sold in Jacksonville by Coover & Shreve; in Meredosia by Mr. R. B. Held; in Murreysville by M. E. Gilbert; in Waverly by the Wyle Drug Co.—Ody.

The Manufacturing Facilities of The Standard Oil Company

(Indiana)

UNDERLYING the manufacturing activities of the Standard Oil Company (Indiana), are the same high ideals of service; the same thoughtful consideration of detail; the same earnest desire to do a big job thoroughly and well which animates the Company in every other branch of its business.

Every facility which wide experience, ample resources, and the utmost skill of scientifically trained technicians can devise, or suggest, is provided to insure absolute uniformity and the highest standard of quality in each of the many products manufactured by the Standard Oil Company (Indiana).

The manufacturing facilities of the Company are concentrated in three great refineries, one located at Whiting, Ind., covering 700 acres; one at Wood River, Ill., covering 600 acres; and one at Sugar Creek, Mo., covering 200 acres of ground.

The Whiting works is conceded to be the most complete, the most perfectly organized refinery in the world. Here practically every product of petroleum is manufactured, and here are located the great research laboratories where the problems of manufacture are worked out and solved. The plants at Wood River and Sugar Creek are modern in every particular and so organized as to use every part of the crude oil. This enables the Company to keep manufacturing costs at a minimum and to supply its patrons with products of the highest standard at prices which otherwise would be impossible.

The 7,000 earnest, industrious, well-paid men and women who make up the personnel of these three refineries, constitute, we believe, the most loyal, the most enthusiastic, most efficient, industrial army to be found anywhere.

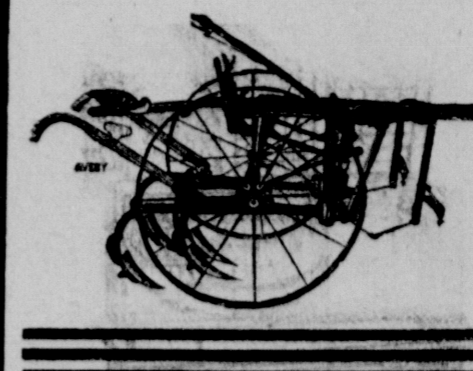

The facilities alone for manufacture maintained by the Standard Oil Company (Indiana) represent an investment of approximately \$60,000,000. This investment is growing constantly to enable the Company to maintain the high standard of service it has set for itself and which it believes the public is entitled to receive.

Perfect balancing lever eliminates all neck weight from the team. The depth lever is convenient, allowing operator to change depth in an instant. The cushion spring which permits foot pressure on gangs for quick change is a very desirable feature. Special cultivator wheel, made in the Avery factory, extra strong wide tire, heavy spokes and dust proof boxings.

The double-acting lift spring is a feature not found on any other make. This connection is so arranged that the pull or lift increases as you raise the gangs and the assistance in lifting is as great all the time as when started. Also, when lowered and in the ground, by going past center this same spring assists in holding shovels in hard ground. Special shaped, perfect working, soft center high polished shovels. STRENGTH FOR YOUNG MOTHERS
How Lydia E. Pinkham's Vegetable Compound Restores Health and Strength.

Lansing, Mich.—"After the birth of my child I was not able to stand on my feet. I was so weak I could not get up. I suffered such pains in my back I could not work or hardly take care of my baby. One of my neighbors recommended Lydia E. Pinkham's Vegetable Compound. I took it and used Lydia E. Pinkham's Sanative Wash, and I got better right away and was soon a new woman and could work hard, and I can recommend these remedies to other young mothers who are weak and ailing as I was."

—Mrs. OMA O. BOWERS, 621 S. Homer street, Lansing, Mich.

Women who are in Mrs. Bowers' condition should not continue to suffer from weakness and pain—but rest from her experience and give us famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For suggestions in regard to your condition write Lydia E. Pinkham, Medford Co., Lynn, Mass. The result of their 40 years' experience is at our service.

REMARKABLE PICTURE AT LUTTRELL'S THURSDAY

One of the most wonderful pictures that has ever appeared upon the screen will be seen on Thursday when Select Pictures offers its tremendous production, "Bolshevism on Trial," at the Majestic Theatre. The picture is thrilling, absorbing and timely with a beautiful love story running thru-out it.

It depicts vividly the life of a Socialistic community where Socialism becomes Bolshevism and Liberty license. Its picture is not a war picture; it has absolutely nothing to do with the war. It does not deal with Bolshevism as it exists on the other side of the Atlantic, but Bolshevism as it is in our own country. Excellently directed, it shows vividly that with the spread of Bolshevism our country would become ravaged and desolate like bleeding Russia. The cast is excellent, each being eminently fitted for the role he or she portrays. "Bolshevism on Trial" is a combination of an entertainment and a lesson. It gives you something to think about—something in which every man and woman in this country is at present wholeheartedly interested in. The future of our country depends upon the solving of this great problem.

ILLINOIS COLLEGE.

An old English May fete will be given by the students of Illinois College on the college campus May 20th. The college has not given a May fete for the last five years and so the whole student body as well as the many interested friends conspicuous among whom are Mrs. Andrew Russel and Mrs. Charles Barnes, are expending every effort that this one may be a great success. The many old English dances are being trained by Miss Denning of Miss Hinman's School of Dramatic Art of Chicago. There are rumors of a miracle play, of a King and Queen and even of English taro sold by certain plemen. On the eventful day, heralds will ride through the city announcing the coming frolic and Pan will dance through the Greenwood during the approach of the guests.

You will find your ticket at Brown's music store. Adults 45c, plus 5c. war tax. Children 31c, plus 1c war tax.

A VISITOR FROM VIRGINIA
J. N. Sinclair of Virginia was a traveler to the city yesterday. The gentleman is one of the early settlers of this vicinity. His father once lived in a log house located about at the east part of the lot occupied by Zahn's East Morgan street garage and it remained there for a long time. Mr. Sinclair says it was built in 1828 and he remembers it well. The gentleman is yet quite active and does considerable live stock business.

JUSTICE COURTS
James Miller was arraigned before Justice Bayha charged with disorderly conduct the complainant being Mrs. Moses Large. Miller entered a plea of guilty and was fined \$5 and costs.

In the same court James Cason was arraigned on the charge of assault and battery, the complaining witness being Susie Hatches. The court passed a fine of \$3 and costs.

Miss Edna M. Weber of Beards-town was visiting friends in the city yesterday.

BAIRD-SIX WEDDING IN MT. STERLING

Bluffs Young Woman Becomes Bride of Raymond Six in Mt. Sterling—Funeral Services for Mary Elizabeth Hilderbrand Monday—Other News Notes.

Bluffs, May 13.—Miss Lizzie Baird, daughter of Mr. and Mrs. A. W. Baird was united in marriage Sunday to Raymond Six of Oxville. The wedding took place in Mt. Sterling. Both are popular young people. Mr. Six is a graduate of the Bluffs high school and for the past two years has been a successful teacher in Scott county. Mrs. Lee Baird, sister of the groom, gave a wedding supper for the bridal pair upon their return Sunday evening.

Mrs. Montague has returned from the Dr. Prince Sanatorium in Springfield where she underwent an operation for the removal of a cataract from the eye.

Mary Elizabeth, infant daughter of Mr. and Mrs. William Hilderbrand, was tenderly laid to rest in the Greene cemetery at 10 o'clock Monday. Mrs. Hilderbrand was formerly Miss Eleanor Finney. The young parents have the sympathy of the entire community in the loss of their little daughter.

Charles Hilderbrand of Griggs-ville was called here Monday by the death of his little granddaughter, Mary Elizabeth Hilderbrand. James Henry of Winchester is the guest of his brother, Ed Henry and wife.

Mr. and Mrs. Carl Horsey were visitors in Kinderhook Sunday.

Mrs. Belle Little of Chapin is the guest of her brother, Horace Sappington and family.

Miss Zoe Fitzpatrick declined the grade in the Griggsville school and has been re-employed at Apple Pie Ridge.

Mrs. Verna Rockwood and children left recently for a three weeks' visit with relatives near Manchester.

ON WAY HOME.

Sergeant Albin D. Molohon in a letter dated April 13th to his mother, Mrs. Stella R. Molohon, says he expected to sail for home the end of the first week in May. He had been wintering in Bettendorf, Luxembourg since last December. He moved from Am-bly, France, to that place. He had been working in the regimental adjutant's office in a castle built in 1728. He had served under Colonel Clinin first in the headquarters, 108th train, and military police and afterwards transferred to the 130th infantry commanded by Colonel Clinin last October and is serving as a sergeant at these headquarters.

HAVE COLOR IN CHEEKS

"Be Better Looking—Take Olive Tablets"

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a pure vegetable compound mixed with olive oil. You will know them by their olive color. You have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy, a childhood days you must get at the root of liver and bowels, the calomel—yet it is no dangerous after effects.

They start the bile and overcome constipation. That's why millions of people are sold annually at 10c and 25c per box. All druggists. Take one or two and note the pleasing results.
